

Information for traders and exhibitors

The *bikerevent* takes place at the parking area (ground character: asphalt/gravel/meadow) of the *Erlebniswelt Arneitz*, which is subdivided in the “Customizer Area” and the “Trader Area”, with nearly 150-200 exhibitors each year. As we are no fair we have no prefixed stands, either in size neither in location, so we are able to serve any dimension (up from a minimum of 3x3m resp. 5mx5m) you want. We try to set your stand every year nearly on the same place, as far as you wish so.

The space rent of € 45/ m² (+20% tax) only results from your square meters and allows you to stay in the area from the 05.09 to the 13.09.2020.

This price contains:

-) space rent (€ 34,50)
-) costs of water and electricity (distribution boards are in central places but you have to bring your own extension cables) fee for garbage and WC (€ 5,50)
-) fee for police safety and the red cross (€ 5,00)

Car parking space in the area cannot be guaranteed! Please note on the application form if your vehicle is longer than your stand. In case you wish to sleep at the area you could receive all the benefits of a campground at the reception of the Erlebniswelt Arneitz .

Like each year the company Zeltverleih Bister offers some bookable extras:

Wooden Floors:

- simple planks
- net price: € 10,- /m² (+50€ addition for spaces smaller than 50m²)

Exhibitor Tents:

- incl. simple planks, with lock-up bars, without lights
- net price: € 470,- / 5x5m € 822,50 / 10x5m

Please let us know directly on the application form if you wish any of those extras as they can not be guaranteed afterwards.

After your confirmed booking you will get the invoice via e-mail on the 1.7.2020

At least we want to remind you that you only stake a claim to your booked stand if you have payed until the 21.07.2020. If you do not stand to the rules of the area we will expel you from the place. (for example: not allowed gastronomy, contempt of trademark law, damage of other peoples properties etc.)
